

California-Pacific Conference

The United Methodist Church

Lay equalization is the process by which the conference balances the number of voting lay persons ("Lay Members") with the number of Clergy Members (with vote). The process is explained in Conference Rules IV.A (2024 Journal Section I). Calculations are based on local church membership as of December 31, 2024 as reported in Table 1, line 4^ and clergy membership as of October 1, 2025.

For 2025, there are 718 Clergy Members of the California-Pacific Conference as of October 1, 2025 (does not include Lay Persons Assigned). Thus, 718 Lay Members are to be selected from our churches, districts, and conference. A total of 547 Lay Members, or 76% of the total, are assigned to come from local churches, with the remaining 171 coming from district elections (25 youth, 25 young adults, and 50 at-large positions across 5 districts), district leadership roles (12), and conference leadership roles (59), as specified in the Conference Rules. This is a decrease of 9 Lay Members and 9 Clergy Members from the 2025 Lay Equalization report, and a decrease of 30 each (4%) in Clergy and Lay Members since 2024.

To determine how many Lay Members a church elects, as listed in the table below, the following process is followed:

1. All chartered churches/charges are assigned 1 Lay Member (see column "First Lay Member for UMCs").

2. Count Clergy appointed to the local congregation. If more than 1, the local congregation is assigned a bonus Lay Member for each clergy over 1. So if the congregation has an appointed Senior Pastor and an appointed Associate Pastor, for a total of 2 Clergy Members, the congregation will have 1 bonus Lay Member (see "Bonus Lay Members for >1 Clergy"). Some adjustments may have been made for small churches in cooperative parishes with multiple pastors (~). Lay Persons Assigned are not clergy and are not included in clergy bonus calculations as associate pastors or co-pastors.

3. "Bonus Lay Members from Members" are assigned to meet the equalization level of 718 per "2024 Total Members" and the following guideline, which is pro-rated at 56% of the Conference Rule of 200 | 450 | 750 | 1400:

Churches with 112-251 members in 2024 are assigned 1 additional Lay Member,
 churches with 252-419 members in 2024 are assigned 2 additional Lay Members,
 churches with 420-783 members in 2024 are assigned 3 additional Lay Members,
 and churches with 784 or more members in 2024 are assigned 4 additional Lay Members.

2026 Total Lay Members is calculated by adding the **First Lay Member for UMCs** to **Bonus Lay Members for >1 Clergy** and **Bonus Lay Members from Members**.

For questions, contact the Conference Statistician Jennifer Gaylord at jgaylord@calpacumc.org or the Conference Secretary at secretary@calpacumc.org. Thank you for the time, energy, and resources your church spends to make the Annual Conference a successful meeting of clergy and laypersons for the future of The United Methodist Church.
