STATISTICS 2025 COLLECTION WELCOME

OPENING PRAYER

Holy Creator, as we gather together, help us remember that we do this work of numbers and analysis to further the work of your church in our communities and in our world. We seek to live lovingly and justly as servants of Jesus Christ by healing the sick, feeding the hungry, caring for the stranger, freeing the oppressed, and being a compassionate presence to all. May the things we find out about our churches, our conference, and our denomination be used to make disciples of Jesus Christ, furthering the mission and ministry of the Church.
