

CONGREGATIONAL VITALITY EMT GRANT FUNDING PROCESS

Step 1: Logic Model

Clarify community need, the goal, the resources required, what the ministry will do, and the expected impact.

Step 2: Innovation Discernment Academy

The academy emphasizes both self-discovery & practical application, equipping leaders to engage in ministry, build teams, and innovate in today's changing church landscape.

Step 3: Co-Creator's Academy

Gain a strong cohort community, foundational tools for community listening and discernment, and a clear understanding of the start-up journey toward planting a new faith community.

Step 4: Grant Application

Describe your activities, who you hope to serve, and your hoped-for impact.
