Rev. Molly Vetter
President/Chairperson

February 19, 2026

Since 2024 until last year, we have had significant transitions in staff and leadership in the Treasurer's office. We have continued to improve our overall administrative systems and staffing, following insights from the leadership audit offered with expert assistance from the GCFA. In 2025, during the interim leadership of Christy Drenner as Treasurer, we began audits for 2023 and 2024, but the process has been slowed during staffing transitions. This audit process continues now under the leadership of our CFBO, Robert Yamamoto, and we anticipate that CFA will soon be able to review our audits for both years, and they can be included in next year's journal.

Grace and peace,

Rev. Molly Vetter
Chairperson of Council on Finance & Administration
