

NORTH DISTRICT WEEKLY COVENANT PRAYERS for July 5 – October 3, 2026

Pray for the continued vision of the UMC in the California-Pacific Conference:
“Ending spiritual and physical hunger”

God, we come to you broken and confused. We pray that you will knit us together in holy unity. Where there is division, bring reconciliation. Where there is doubt, breathe fresh faith. Where there is grief, pour out your comfort. Stir in each heart a hunger for holiness and a love for neighbor that overflows beyond the walls of the sanctuary into the community around us. In this season, Lord, may our churches be places of genuine encounter — where the broken find healing, the lost find direction, and the found grow deeper in Your grace.

Amen
