CONTRIBUTE TO THE SESSION

The Sessions Task Force requests a \$100 voluntary contribution per Member.
All gifts are welcome.

Voluntary Contributions reduce the need for apportionment dollars to pay Session expenses. Your contribution helps offset expenses for childcare, provides scholarships for district youth and young adult lay members, supports growing technology needs, and helps offset expenses for volunteers giving their time and skills to the Session.

CHILDREN & CHILDCARE

Risa Vargas returns as our Childcare Leader.

Nursing mothers and their infants are welcome at all conference events.

The Sessions Task Force is excited to offer a childcare option for Members with children. Go to www.calpacumc.org/ac2024 for more information, to register, sign paperwork, and pay in advance.

Selected Guidelines

- **Reservations must be made in advance so there are enough meals, supplies, and staff.**
- Space is limited. Reserve early if childcare is a critical part of your on-site attendance.
- The upper age for this service is determined by the parent. Children enrolled in childcare will not be participating in youth or young people activities.
- The Sessions Task Force will partially subsidize the cost of childcare & meals this year. Parents will be asked to contribute up to \$175 per child.
- Childcare will be offered Wednesday morning through Saturday at adjournment.
- Parents will need to provide necessities for children, including portable cribs, diapers, and any special food requirements. The registration form will allow parents to select the available children’s meals or to bring food.
- **Child-friendly meals will be served for those children with advance reservations in a hospitality suite supervised by childcare staff, and not at catered special events. If you have dietary concerns, please plan to provide your child’s meals. We encourage parents to take children out of childcare for at least one meal a day with parents or other caregivers.**

SPECIAL OFFERING TO SUSANNAH WESLEY COMMUNITY CENTER (HONOLULU, HAWAII)

The Susannah Wesley Community Center is a non-profit agency nestled in the heart of the Kalihi-Palama community in Honolulu, Hawaii. It is a comprehensive social services organization dedicated to helping and empowering youths, adults, and families (many of whom are newcomers to Hawaii) who have great social and economic challenges, move towards self-sufficiency and independence. For over 125 years, the Susannah Wesley Community Center has been effectively addressing the unique challenges facing new immigrants who call Kalihi-Palama home. SWCC's mission has been and will continue to be to help people who have the greatest of needs to survive, thrive, and become contributing members of our community – even if they speak another language and face daunting cultural differences. SWCC continues to maintain high quality social services and programs to meet the youth, families, and adults of Kalihi-Palama who struggle with great needs. We continue to be good neighbors to all who may be lost, hungry or hurting. This agency has long been supported by Methodists in Hawaii and by United Women in Faith.
